

Terry McQuay

Tuesday, 08 March 2005

Terry McQuay is a Privacy Consultant and the founder of Nymity Inc. For the last three years he has delivered privacy training to over 100 organizations making him the leading privacy educator in Canada. In 2002, Mr. McQuay created PrivaWorks, a Privacy Resources Portal, which has become corporate Canada's premier source of privacy knowledge and resources. Mr. McQuay is the editor of PrivaViews, Canada's foremost free monthly privacy newsletter, which contains interviews with privacy experts. He is also executive editor of the Privacy Advisory, a privacy training newsletter delivered as part of PrivaWorks. Mr. McQuay specializes in helping corporate Canada understand and comply with Canadian privacy legislation, leverage privacy to create a competitive advantage, and implement effective privacy practices that prevents privacy breaches.
